### Catering & Conference Activities

With a dedicated team we can cater to any requirement, from the simple to the elaborate.

The Grill Restaurant with its ambience, atmosphere and lake view is the ideal location for dining. Options range from an elegant and formal 3, 4 or 5 course set menu affair, casual gourmet BBQ, relaxed buffet or simply a la carte depending on numbers.

Alternatively our conference rooms provide intimate and private dining options. The only thing hindering a themed evening is your imagination! Working with professional and experienced theming companies we can arrange anything from a Wild West show complete with bucking bull, a Stars in your Eyes Experience, a Rock N Roll party, the theatrical 'Chicago' evening to a Pirates of the Caribbean nights....We specialise in out catering for a variety of locations, styles and requirements.

The Rotorua region is packed full of attractions and activities to keep your group busy ranging from cultural, sporting, historical, adrenaline packed, teambuilding, water orientated and many more; the options are vast. Teambuilding and other activities can be brought to you on-site at the hotel, particularly if time is limited.
